MATHEWS TO ATTY. GEN. ELLIS

Replies to Letter in Which Official Explained His School Fund Opinion.

MATHEWS SAYS GOVERNOR BROWARD, AND NOT ELLIS, IS ENTITLED TO CREDIT FOR SCHOOL FUND VICTORY—BOARD ACTED BEFORE ATTORNEY GENERAL DID.

The following open letter from Hon. G. G. Mathews, member of the last legislature and now editor of the Polk County Record, is self-explanatory.

Mathews Replies to General Ellis. As Attorney General Ellis recently published an open letter addressed to me on account of an editorial appearing in my paper, the Polk County Record, I wish to let the public know a little more about the subject. In Mr. Ellis's open letter he practically admits my contention, except in his misconstruction of one part of my editorial. I never said that his opinion was based upon or founded upon Gov. Broward's suggestion or ideas, but I meant to convey the idea that by reason of Gov. Broward having claimed for two or three years from the stump and through the press that the school fund was entitled to 25 per cent. of the proceeds of the public lands and having requested an opinion from Mr. Ellis upon the subject, that the opinion was called for, was brought about as the result of the suggestion or agitation of Gov. Broward. I did not mean that Mr. Ellis's opinion was not honestly given upon the law, but I claim that the governor was the leader in the matter and Mr. Ellis does not deny this.

What I kicked on in my editorial was the apparent effort of certain corporations papers in the state to give Mr. Ellis more credit than was due and at the same time actually not even giving the man who brought up and pushed the school fund credit whatever. I understand the tactics of these papers, they want to mislead the public and just at this time upon the eye of the primary make the people think Mr. Ellis has done wonders for the school fund.

School Board's Demand. As a matter of fact the state school board, at a meeting when Mr. Ellis was absent, about three months before he rendered his opinion, passed a resolution declaring that the school fund was entitled to 25 per cent. of the proceeds of public lands and made a demand on the internal improvement board for the same. They acted without his opinion, three months before he rendered it. Why did not certain papers praise the entire board for this action? The board was some months ahead of the attorney general. Could it be a matter of politics with these papers?

The law has been the same since long prior to the time the present attorney general went into office. He talks about a servant of the people is bound to perform this constitutional duty, for about four years passed, failed to do the constitutional duty that a servant of the people is bound to perform?

The school fund has suffered to the extent of many thousand dollars during his term of office, yet not until February 5th, 1908, just on the eve of a primary, did we ever hear of him advising or advocating that the school fund was entitled to this part of the proceeds of the public lands. I ask the question, why? Has it been ignorance or neglect of duty on the part of the legal adviser of the state cabinet? I still think the attorney general has played a second fiddle in this transaction and that the Times-Union and True Democrat were unfair in not telling the whole story and in ignoring Gov. Broward's efforts in the matter.

Very truly,
G. G. MATHEWS.

B. & O. BEGINS IMPROVEMENTS

Construction Work To Continue Where It Was Dropped at Beginning of Money Stringency—The Largest Smelter in World Starts Furnaces Again.

By Associated Press. Pittsburgh, March 13.—Orders have been issued to the engineers of the Baltimore and Ohio railroad in the Pittsburgh district to resume all construction work on improvements started last fall, and work will be resumed in full next Monday on three or four important projects. A number of workmen who were laid off a few months ago will be given employment, and it will require the greater part of the summer to complete the improvements.

The work includes the completion of the interlocking system between Pittsburgh and McKeesport, the erection of four interlocking stations, the double-tracking of the Fairmont division, the completion of the big bridge across Grand River at Fairport, Ohio, and the four-track concrete structure across Long Run at Versailles.

U. S. MINT AGAIN COINING MONEY

By Associated Press. Philadelphia, March 13.—With the return wave of prosperity, the United States mint in this city has again become a golden bee hive of industry. Throughout the week employees who had been laid off had been receiving notifications to resume their posts, and yesterday a full force was at work, aggregating about 550 persons.

It was stated at the mint that the renewal of activity was due to fresh orders from Washington for immediate coinage. Leading these orders was

Tested and Proven

There is a Heap of Solace in Being Able to Depend Upon a Well-Earned Reputation.

For months Pensacola readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. Not another remedy ever produced such convincing proof of merit.

Mrs. M. A. Stephens, of 311 Gadsden St., Pensacola, Fla., says: "I have suffered untold agony from kidney disease and its accompanying symptoms. Terrible bearing down pains made my life miserable. My back ached all the time, my kidneys were always out of order, the doctors could do nothing for me and I continued to suffer using first one remedy and then another until Doan's Kidney Pills were brought to my attention by a friend. I commenced to improve just as soon as I started taking them. I have now no pain in my back and kidney regions, and the terrible bearing down pains are also gone. My nerves are now stronger, and my health is better than it has been for some time. I attribute my cure to the use of Doan's Kidney Pills." (From a statement given in 1902.)

CONFIRMED PROOF. On January 26th, 1907, Mrs. Stephens confirmed the above statement saying: "I am glad to confirm my former statement, for I believe Doan's Kidney Pills saved my life. I have recommended them to a great number of people since I was cured by their use five years ago." For sale by all dealers. Price 50 cents.
